

# MATH PROBLEM OF THE WEEK

Fall 2023 Winners  
First place winners

**Remi Salinas**

I'm currently studying mathematics and plan to graduate next spring. I love math and hope to pursue a graduate degree after graduation.

**Horacio Gonzalez**

I'm a Cybersecurity major graduating in Spring 2025; I'm fueled by a love for math, FPV drone flying, cybersecurity, and 3D printing.

As part of the Verizon Innovative Learning STEM Achievers program at NMSU, I guide students in exploring 3D printing, programming, VR, Robotics, and the evolving world of cybersecurity. Committed to inspiring the next generation of engineers and scientists.
