

New Mexico State University
Department of Mathematical Sciences
Colloquium

Fall 2020 Colloquium Speakers

- 09/25/2020 Dr. Valentin B. Shehtman – Moscow State University, Russia
Title: Bisimulation games and local finiteness
- 10/02/2020 Dr. Daniel Erman – University of Wisconsin, Madison, Wisconsin
Title: Probability of unlikeliness: Concentration of measures and tails events
- 10/16/2020 Dr. Lev Beklemishev – Steklov Mathematical Institute, Russia
Title: Reflection algebras and proof-theoretic strength
