

An exciting summer research opportunity

## Research Experiences for Undergraduates in Mathematics

Summer 2025, NMSU

### Program Description

- Five-week project, starting mid-May.
- Generous stipend of \$4,500.
- Write a research paper by exploring the beautiful garden of Riemann zeta functions.

### How to Apply

- Prepare a CV and a short personal statement on your mathematical backgrounds and interests.
- Email your application to [yanghu@nmsu.edu](mailto:yanghu@nmsu.edu) and to [pavao@nmsu.edu](mailto:pavao@nmsu.edu), by **December 15, 2024**.

Any inquiries? Feel free to contact Dr. Yang Hu ([yanghu@nmsu.edu](mailto:yanghu@nmsu.edu)).
